

BETHESDA BY THE SEA CONTRIBUTION AGREEMENT

Bethesda by the Sea desires to provide contribution-based, rather than fee-based, Christian intensive pastoral counseling. We have a Suggested Contribution for each pastoral counseling package. If you have an adequate income, we would appreciate it if you would contribute that amount.

We have also developed a “Sliding Scale for Suggested Contributions” based on Gross Household Income. This adjustable contribution guide can help you decide on a fair and reasonable amount to contribute for your chosen intensive program. The chart represents combined family income. (Proof of income is not required.)
